PUD 3's network is capable of providing a variety of services over a single connection. It's Fast, Simple, and Easy.

High Speed Internet Access

With a connection to the PUD 3 fiber optic network, you can receive the fastest Internet service in Mason County. High-speed packages offered by independent retail service providers are faster than dial-up, DSL, and cable - your connection is always on. No more dialing or disconnections - DSL and cable can't even come close to matching the speed of our fiber optic network connection.

Television Service

Choose from the latest Hollywood blockbusters; settle down to enjoy your favorite network series, sports, documentaries, and more. PUD 3's high speed fiber optic service delivers a world of entertainment right to your home.

Telephone Service

Your telephone never sounded so good. With fiber optic telephone service from a PUD 3 retail service provider you can talk on the phone and surf the Internet at the same time. No need for two phone lines. Independent retail service providers offer a wide variety of plans, with options ranging from basic service to premium calling features.

PUD 3 recommends you shop around our retail service providers to ensure you're getting the right service for your home or business.
