**Tribal Tax Exemption**

Those who meet the requirements of WAC 458.20.192 will not be subject to state tax.

**Terms and Conditions**

Service under this schedule is subject to the Rules and Regulations and policies of PUD 3. System Capacity Fees are calculated using the ampacity rating of the meter base, and/or service entrance rating. In emergency situations, the manager of the District may make such reasonable modifications as deemed necessary provided, however, such modifications are reported to the Commission at its next official meeting.

**Other Electric Charges**

Tax Clause (Supplemental Schedule 92)
